Lance loves playing the piano.
He practices almost every day so he
can play from his heart easily.

At age 11, Lance is
also a music producer.
Studying piano makes it
easy for him to play all of
the parts on the keyboard
in the recording studio.

Lance is a pianist.

He listens to the music that our ancestors recorded to enjoy our cultural music and learn to play the styles and songs that he loves.

Our are ancestors are originators.

The music they created can be heard on Youtube for free. Some of their names are:

- McCoy Tyner**
- George Duke**
- Thomas “Fats” Waller**
- James P. Johnson**
- Hazel Scott**
- Little Richard**
- Wynton Kelly**
